

No Parking
or Drop-off
in lot!

Traffic Map:
Red areas indicate that traffic cannot enter. There is no drop-off in the parking lot.

Yellow area indicates NEW drop-off location. There is no parking in this area!

Green area indicates Bus Loading and Unloading location. There is no parking in this area!

Arrows indicate traffic flow for Montana and 101st for during pick-up and drop-off.

We highly encourage you, after drop-off and pick-up to continue South on 101st instead of turning on to Dakota. This is a highly congestated area!

Montana will also be used as a by-pass lane so that parents can drive to 101st and park on the westside and walk children to the doors!

The white lines indicate Park and walk kids to the doors area. During pick, parents will need to walk to the door to pick up your child.
